

Acts 24:16 (KJV)

And herein do I exercise myself,
to have always a conscience
a conscience void of offence toward God,
toward God and toward men.

A conscience that is absolutely clean
Toward God and men - Acts 24, 16
This has to be - the best exercise
For it allows me to look you in the eyes

And herein do I exercise myself,
to have always a conscience
a conscience void of offence toward God,
toward God and toward men.

And herein do I exercise myself,
to have always a conscience
a conscience void of offence toward God,
toward God and toward men.

A conscience that is absolutely clean
toward God and toward men.
